Chrislynn Prop 65 Statement

Chrislynn’s standard catalog items including our stainless inserts, carbon steel inserts, repair kits, drills, taps, and installation tools do not contain items listed in California’s Prop 65.

We do sell certain special items that do include some of these items and our statement is as follows.

WARNING: Some of Chrislynn’s threaded products can contain Cadmium, Cadmium compounds, Antimony trioxide, Toluene, Chromium, Silver, Tarnibann 51 Concentrate or Nickel, which are known to the State of California to cause cancer and birth defects. ***Wash hands after handling.***
